# MISSION, VISION & VALUES

## OUR MISSION

"To Prepare leaders for handling, processing and marketing of milk and milk products and all other aspects of dairy, a popular, critical and ever-growing component of the Indian food industry."

## OUR VISION

"To be a nationally distinct, locally relevant and accessible institution of dairy education, research and extension and be a leader among peers and stake holders."

**MISSION**

**VISION**

**VALUES**

## OUR VALUES

- Loyal and dedication to mission and vision
- Passion and commitment to excellence
- Flexible, responsive and innovation
- Accountable, trustworthy and professional
- Honesty, integrity and continuous improvement with pride.

# KAMDHENU UNIVERSITY

## FOURTH CONVOCATION

February 3, 2018

**KAMDHENU UNIVERSITY**

**OUR INSTITUTIONS:**

**CONSTITUENT**

1. Institute for Veterinary Education and Research, Gandhinagar
2. Institute for Dairy Education and Research, Anand
3. Institute for Fisheries Education and Research, Gandhinagar
4. College of Dairy Sciences, Gandhinagar, Anand
5. Polytechnic in Animal Husbandry, Rajpur Road, Gandhinagar

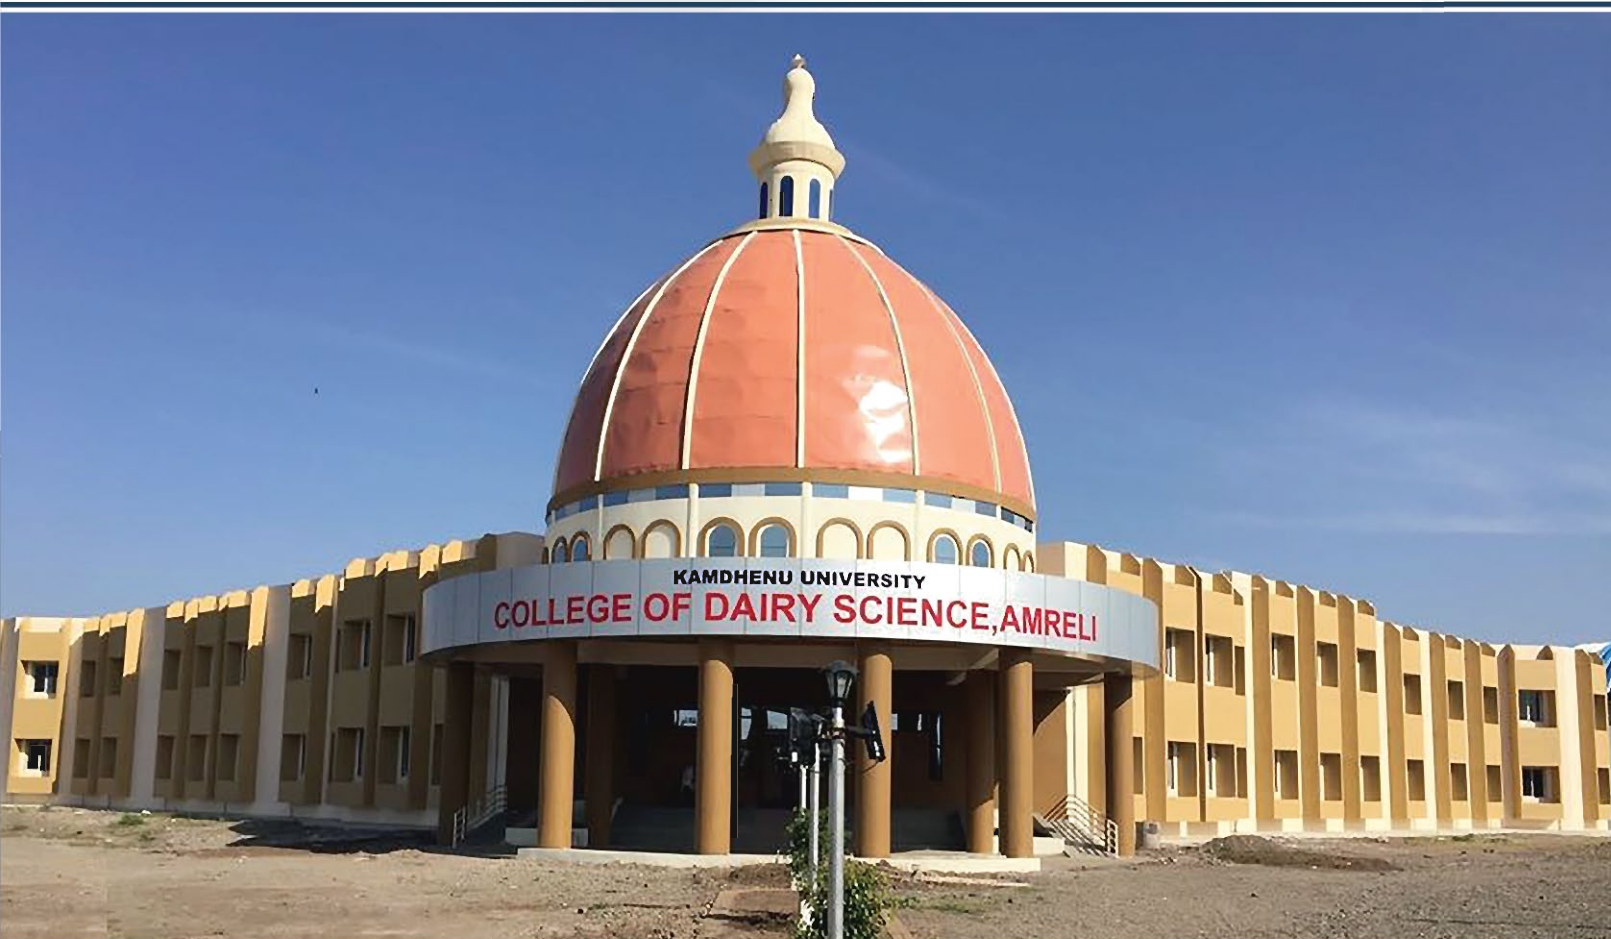

**AFFILIATED**

1. Institute for Veterinary Education and Research, Gandhinagar
2. Institute for Dairy Education and Research, Anand
3. Institute for Fisheries Education and Research, Gandhinagar
4. College of Dairy Sciences, Gandhinagar, Anand
5. Polytechnic in Animal Husbandry, Rajpur Road, Gandhinagar

**Our Motto : Welfare of all living beings**

## **Dr. P. H. Vataliya**

Vice Chancellor

Kamdhenu University, Gandhinagar

### **Message**

Kamdhenu University, Gandhinagar has been established by the Kamdhenu University Act, 2009 by Government of Gujarat to excel in Education and Research and make advancement in Veterinary, animal science, dairy science, fisheries and allied sciences in Gujarat.

College of Dairy Science, Amreli, believes in incubating human values across its various members through formation and dissemination of knowledge in the field of Dairy Science. Being constantly dynamic in its curriculum, we espouse flexibility to quickly respond to the rapidly changing global socio-economic conditions and efficiently adapt the best practices of leading Dairy Science Institutes of the country. Practical workshops and real life data analysis make our course works relevant to the reality of the changing world we live in.

We are committed to nurturing further leaders and entrepreneurs who will power their organizations in the emerging as well as developed economies a like. We facilitate holistic development of a student and nurture his learning curve as a true professional. College of Dairy Science boasts of a pantheon of highly qualified faculty, rich learning tools and contemporary teaching methods. Our priority is to inculcate in our students a sense of dedication as technocrats, and to expand their knowledge and intellectual horizons enabling them to emerge transformed and prepared to have an impact on the corporate world co-operatives and society at large.

I am sure that the prospective employers would find most suitable personnel to recruit from this small but talented batch of enthusiastic and workaholic brains turning out from our College of Dairy Science, Amreli.

I wish a very prosperous career ahead to all the students and feel confident that they will maintain the high standards of professionalism and meet the expectation of their alma matter.

  
**Dr. P. H. Vataliya**

## **Dr. D. B. Patil**

**Director of Research & Dean PG Studies.  
Kamdhenu University, Gandhinagar**

### **Message**

Greetings from Gandhinagar, the capital city of the State of Gujarat and a hearty welcome to our University, Kamdhenu University (KU).

The College of Dairy Science (CDS), Amreli, a constituent College of Kamdhenu University, provides professional education of world-class standard, excellent and encouraging faculty support and a very inspiring learning ambience in the field of Dairy Technology. The CDS Campus has all the modern facilities like beautiful academic buildings, internet and Wi-Fi, good laboratories and computational facilities, library, excellent cafeteria, etc. From the moment of its inception, CDS, Amreli has witnessed an enthralling elevation in the field of academic excellence, research, development and industrial collaboration.

CDS has a good alumni base in Dairy sector. I feel proud to say that within a short span of time, CDS has built a good reputation with the industry and our placement is reflecting the same. The B. Tech in Dairy Technology program offered at CDS covers the entire value chain of Dairy sector. Keeping this in mind, CDS offers B. Tech program in Dairy Technology with all relevant major subjects. The CDS also offers the M. Tech in Dairy Technology, Dairy Chemistry & Dairy Micro Biology.

I would like to introduce and present the class of B. Tech (Dairy Technology) 2017. I am confident that the students will make a good impression with their sound understanding, technical skills, dedicated work and professional ethics. The students of B. Tech (Dairy Technology) are well equipped with necessary skills to perform effectively in any environment. I am sure you would like to take advantage of the final placement of talent from CDS-Amreli, induct them into your organization and make them contribute in your organizational pursuits.

The four year journey as I see it has been a truly transformational one. It has been engaging, rigorous, collaborative and has presented a global frame of reference for the students to internalize and apply to the evolving world of dairy Technology. Fine tuning these theories and cases specifically to the Dairy sector has been a niche and intense experience. These are the learnings which our young graduates extend to you. I once again welcome all employers to CDS campus and hope you will find a competent set of students to meet your expectations.

**D. B. Patil**

## **Dr. V. M. Ramani**

Principal & Dean, College of Dairy Science,  
Kamdhenu University, Gandhinagar

### **Message**

I am pleased to invite you for Campus Placements 2017-18 of the B.Tech. (Dairy Technology) batch at the College of Dairy Science, Amreli. College of Dairy Science is the first constituent college of Kamdhenu University and can proudly claim its stance over the last 8 years.

The students represent a rich and diverse product of potential as dairy technocrats and apart from academic inputs the students have also been inculcated with a strong sense of social commitment and values pertaining to the day to day life, at par with the vision of College of Dairy Science. The students are not in any way alienated from the academic environment but are also clubbed along with the elitist group and are fully made aware of the dairy environment in which they are going to perform and the society to which they owe so much.

Our students not only excel in their varied technical fields but we can vehemently say that they uphold with dignity and integrity the social values for which the Institute stands. Collaborating closely with corporate leaders, the finest faculty and fellow students of diverse and focused dairy professional experiences through their in-plant training and various campus clubs activities. This program inspires cutting-edge thinking and entrepreneurial spirit too.

It is our extreme pride and pleasure that we have been able to strengthen the bond of mutual respect and trust that already exists between your esteemed organization and our University.

I am confident that these 40 passionate, talented, highly motivated, experienced & well-balanced dairy technocrats have the caliber to lead your organizations into the future.

Warm welcome to college campus at Amreli.

**V. M. Ramani**

## Genesis of College

Contribution of Gujarat and India for the milk and milk industry at National and global level, respectively is highly substantial. In Saurashtra region of Gujarat state, dairy industry is still in developing stage compared to other parts of Gujarat.

Hence, there is a need of dairy technologists for the efficient growth of dairy industries in this region. At present, we find shortage of dairy technologists in spite of the existing colleges for this course. Moreover, considerable number of students from existing colleges also opt for higher studies in India or abroad, which also aggravates manpower crisis.

Gujarat Cooperative Milk Marketing Federation (GCMMF) has extended their support in Saurashtra region with Amreli, Junagadh, Bhavnagar and Kutch district cooperatives as their partners. This created a further need of dairy technologists for the efficient growth of dairy Industry in this region.

In view of the above, the Government of Gujarat has started College of Dairy Science at Amreli, for rapid development of dairy industry in this region as well as out of this region, on 1<sup>st</sup> August, 2010 under the visionary leadership of then the Hon'ble Chief Minister Shri Narendra Modi and Hon'ble Agricultural Minister of Gujarat of that time.

This is the first constituent college of the Kamdhenu University, an exclusive University started by Government of Gujarat for the veterinary and allied sciences. The college was established in record time of 42 days after the Government passed the resolution for its establishment. The college was started in a rented government school building hired from Amreli Municipality.

The college was started with the support of Amreli District Co-operative Milk Producers Union Limited (Amr Dairy), Amreli and Amreli Zilla Madhyasth Sahkari Bank at initial stage. In the

beginning, in the absence of authorities of the Kamdhenu University, the overall responsibility to run the college was given to Junagadh Agricultural University, Junagadh, Gujarat.

After joining of first Vice Chancellor of Kamdhenu University on 19<sup>th</sup> August, 2014, the control of College of Dairy Science was taken over from Junagadh Agricultural University, Junagadh from 21<sup>st</sup> of August 2014. In 2015 land for the new building of College was acquired from the Government of Gujarat at Shedubhar Patiya, 10 km away from Amreli, on the road side of the village of Amreli-Rajkot highway. In phase-I, 5 acres of land was acquired for the construction of college building, sports complex and workshop. Construction work of Phase-I has been initiated after the Bhoomi-Poojan ceremony held on 15<sup>th</sup> October 2015.

The College imparts education leading to a 4 year B. Tech. (Dairy Technology) degree in which students are given theoretical and practical knowledge under five different departments viz. Dairy Technology, Dairy Engineering, Dairy Chemistry, Dairy Microbiology, and Dairy Business Management. They learn the principles of technology, engineering, chemistry, microbiology, and business management to develop new and improved methods in production, preservation, marketing and utilization of milk and its products.

To handle real life situations in the dairy field, the students are given industrial training (hands on training) in the commercial dairy plant including handling of BMCs and chilling centers. The training provides a platform to enhance the practical knowledge and also boost confidence level of the students. In this training, departments are covered from purchase of raw materials to marketing of finished end product. Students are given training in milk processing, product manufacturing, product testing, packaging, cleaning, maintenance aspects, account, purchase, marketing, etc.

The college also organizes various field trips to the dairy industries and institutes as and when required during the semester for various subjects to gain updated practical knowledge. Thus, College of Dairy Science, Amreli provides a platform for the overall development of the students and caters the need of new dairy technologist in the fast developing dairy field.

**2016-17**

## **1 Research at College of Dairy Science, Amreli**

College has created noble research environment too. Principal & Dean of the College, Dr. V. M. Ramani, grab the projects from the key agencies of national and state level as mentioned here.

- 1) “Development of Probiotic fortified Soy Food for the health and Nutritional Benefits of Elderly Population”, funded by Department of Science and Technology of Ministry of Science and Technology, Government of India. Brief summary of project work (PI: Dr. V. M. Ramani)
- 2) “Bio-Conjugation of Iron oxide/Gold Nanoparticles for the detection of Aflatoxin M1 in Milk” funded by Gujarat State Biotechnology Mission, Department of Science and Technology, Government of Gujarat, Gandhinagar. Brief summary of project work (PI: Dr. V. M. Ramani)
- 3) “Development of Nano-tag and Thread based micro fluidic system biosensor for detection of Aflatoxin M1 in milk” funded by Department of Biotechnology, Ministry of Science and Technology, Government of India. Brief summary of project work (PI: Dr. V. M. Ramani)

Departmental research work of some of the faculties has been also approved by research committee of Kamdhenu University and AGRESCO.

- 1) Development of Nanotechnology based dipstick for instant detection of milk adulteration (PI: Dr. V. M. Ramani)
- 2) Development of milk-beetroot based fibre enriched low calorie Burfi (PI: Dr. Kunal Kumar Ahuja)
- 3) Detection of oil adulteration in milk by chromatographic methods in-tandem with chromogenic methods (PI: Dr. Tanmay Hazra)
- 4) Process optimization of milk based peanut Thabdi (PI: Mr. A. J. Thesiya)

## SEMESTER-WISE DISTRIBUTION OF COURSES OF B. TECH. (DAIRY TECHNOLOGY)

Sr.No.	Course Title	Credits	Sr.No.	Course Title	Credits
<b>FIRST SEMESTER</b>					
		7		Starter Cultures & Fermented Milk Products	4(2+2)
1	Organic Chemistry	3(2+1)	8	Financial Management	3(2+1)
2	Milk Production Management	2(1+1)	9	NSS*	1(0+1)
3	Engineering Drawing	2(0+2)			<b>27(17+10)</b>
4	Workshop Practice	2(1+1)	<b>FIFTH SEMESTER</b>		
5	Fluid Mechanics	3(2+1)	1	Dairy Plant Operations and Management–I (Experiential Learning).	25(5+20)
6	Fundamentals of Microbiology	4(2+2)	2	Communication Skill and Entrepreneurship Development	2(2+0)
7	Dairy Development	1(1+0)	3	Dairy Extension Education	1(1+0)
8	Applied Mathematics	2(2+0)			<b>28(8+20)</b>
9	English	3(2+1)	<b>SIXTH SEMESTER</b>		
10	NSS*	1(0+1)	1	Dairy Plant Operations and Management–II (Experiential Learning).	25(5+20)
		<b>22(13+9)</b>	2	Human Nutrition	1(1+0)
<b>SECOND SEMESTER</b>			3	Marketing Management and International Trade	2(2+0)
1	Market Milk	5(3+2)			<b>28(8+20)</b>
2	Introductory to Dairy Microbiology	3(2+1)	<b>SEVENTH SEMESTER</b>		
3	Heat & Mass Transfer	3(2+1)	1	Condensed and Dried Milks	5(3+2)
4	Chemistry of Milk	3(2+1)	2	By-products Technology	4(3+1)
5	Thermodynamics	3(2+1)	3	Dairy Process Engineering	4(3+1)
6	Traditional Dairy Products	3(2+1)	4	Principles of Dairy Machine Design	3(2+1)
7	Economic Analysis	2(2+0)	5	Quality and Safety Monitoring in Dairy Industry	3(2+1)
8	Industrial Statistics	3(2+1)	6	Chemical Quality Assurance	3(2+1)
9	NSS*	1(0+1)	7	Environmental Studies	3(2+1)
		<b>25(17+8)</b>	8	Cost Accounting	2(2+0)
<b>THIRD SEMESTER</b>					<b>27(19+8)</b>
1	Microbiology of Dairy Products	3(2+1)	<b>EIGHTH SEMESTER</b>		
2	Ice-cream and Frozen desserts	4(2+2)	1	Food & Industrial Microbiology	3(2+1)
3	Fat Rich Dairy Products	4(3+1)	2	Food Chemistry	3(2+1)
4	Refrigeration & air-conditioning	3(2+1)	3	Food Engineering	3(2+1)
5	Electrical Engineering	3(2+1)	4	Dairy Plant Design and Layout	3(2+1)
6	Biochemistry	3(2+1)	5	Food Technology	4(3+1)
7	Physical Chemistry of milk	3(2+1)	6	Judging of Dairy Products	3(2+1)
8	Computer Programming	3(2+1)	7	Dairy Plant Management and Pollution Control	3(2+1)
9	NSS*	1(0+1)	8	IT in Dairy Industry	2(1+1)
		<b>26(16+10)</b>	9	Operation Research	2(2+0)
<b>FOURTH SEMESTER</b>					<b>26(18+8)</b>
1	Packaging of Dairy Products	3(2+1)	1	Dairy Plant Operations and Management* (one month training)	Non Credit
2	Cheese and Fermented Milks Technology	5(3+2)			
3	Dairy Engineering	3(2+1)			
4	Instrumentation and process control	3(2+1)			
5	Dairy Biochemistry	3(2+1)		<b>Total credits of the course B. Tech. (Dairy Technology)</b>	<b>209(116+93)</b>
6	Chemistry of Dairy Products	3(2+1)		* indicates non credit courses (not included in calculation)	

<b>DATE OF BIRTH :</b>	02/05/1997	<b>LANGUAGES KNOWN :</b>	English, Hindi, Gujarati	<b>BLOOD GROUP :</b>	B-positive
