Dr. N. H. Kelawala

Vice Chancellor
Kamdhenu University,
Gandhinagar

Milk is consumed by humankind for centuries as it is almost complete food and article of diet of vast population on earth as source of important nutrients. Scientists have discovered more than 400 components in milk that are important for the energy provision, growth, development, protection and maintenance of human body. Dairy activities have traditionally been integral to India's rural economy.

In few years, College of Dairy Science (CDS) and Postgraduate Institute of Dairy Education and Research (PGIDER) is well-positioned to build on the glorious legacy of quality and accomplishments, established by the Kamdhenu University in Gujarat. CDS & PGIDER believes in incubating human values across its various members through formation and distribution of knowledge in the field of Dairy. Being constantly dynamic in our curriculum, we espouse flexibility to quickly respond to the rapidly changing global socio-economic conditions; and can efficiently adapt the best practices of leading Dairy Science Institutes. Practical workshops and real life data analysis make our coursework, relevant to the reality of the changed world, we live in now.

Kamdhenu University is committed to nurture leaders and entrepreneurs who will power their organizations in the emerging economies. We facilitate holistic development of a student and nurture his learning curve as a true professional. CDS & PGIDER is having highly qualified faculty, rich learning tools and contemporary teaching methods. Our priority is to inculcate in our students a sense of dedication as technocrats and to expand their knowledge and their intellectual horizons so that they emerge transformed and be prepared to have an impact on the corporate world and society at large.

As you leaf through the brochure, I am sure that you will be pleasantly impressed with the profiles that lie before you. You might be eager to know more and meet some of the best profiles coming out of these programmes. I invite you to visit our Institute and test this bunch of bright, exciting and enthusiastic minds. I assure you that you will have an excellent recruiting experience.

(Dr. N. H. Kelawala)

Dr. D. B. Patil

Director of Research &
Dean PG Studies
Kamdhenu University,
Gandhinagar

Kamdhenu University is established by Government of Gujarat in 2009 with a vision to raise excellence in Dairy, Veterinary and Fishery Sciences education for young optimistic professionals of India.

College of Dairy Science, Amreli was established in the year 2010 and has been in operation for more than eight years with all the required infrastructure, including qualified faculty members, well-equipped laboratories for hands on experience in various disciplines under one roof for overall development of Dairy faculty. Students' are exposed to the most modern and updated curriculum in various disciplines of Technology. In addition to developing excellent scientific and technology skills, our university products have been moulded, circulated and tested before dispatch into global market with essence of segmental value added finished goods. The sixth batch of students' have graduated with B.Tech. (Dairy Technology) & M.Tech. (Dairy Technology, Dairy Chemistry & Dairy Microbiology) degrees in June 2019.

I heartily welcome food and dairy manufacturing industries, R & D establishments, services, utility and other sectors to the Kamdhenu University campus for recruitment of our B.Tech (Dairy Technology) & M. Tech. degree holders. You will recognize the availability of choice of bright and talented technocrats with requisite skills that can solve your challenging technical problems and add value to your organization.

I extend a very warm welcome and invitation to prospective employers for campus placements.

My dear students, together we can achieve.....

I WISH YOU ALL THE VERY BEST.

(Dr. D. B. Patil)

Message

Dr. V. M. Ramani

Principal & Dean, College of
Dairy Science,
Kamdhenu University,
Gandhinagar

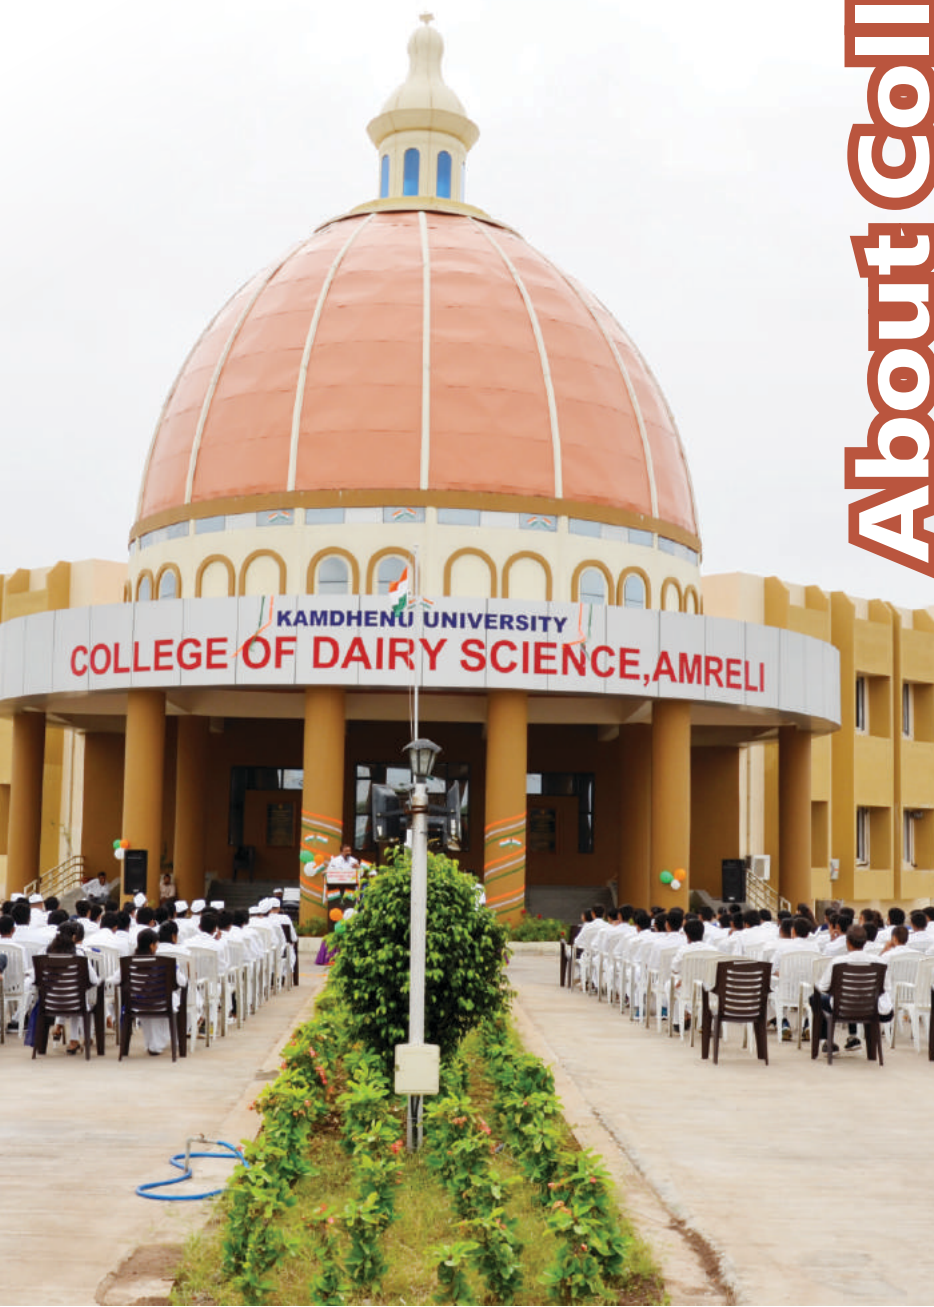

I am pleased to invite you for Campus Placements of the B. Tech. (Dairy Technology) & M. Tech. (Dairy Microbiology, Dairy Chemistry & Dairy Technology) at the College of Dairy Science & Post Graduate Institute of Dairy Education and Research, Amreli. College of Dairy Science, Amreli is the first College of Kamdhenu University and can proudly claim its stance over the last 8 years and Postgraduate Institute of Dairy Education & Research (PGIDER) is going to launch the first batch of M. Tech. students in various disciplines. The students represent a rich and diverse product of potential dairy technocrats who came from different disciplines and part of the country.

Apart from academic inputs the students have also been inculcated with a strong sense of social commitment and values pertaining to the day to day life, at par with the vision of College of Dairy Science and PGIDER. The students are not in any way alienated from the environment but are clubbed along with the elitist group and are fully made aware of the environment in which they function and the society to which they owe so much. Our students not only excel in their varied technical fields but we can vehemently say that they uphold with dignity and integrity the social values for which the Institute stands. Collaborating closely with corporate leaders, the finest faculty and fellow students of diverse and focused professional experiences through campus clubs and activities, this program inspires cutting-edge thinking and entrepreneurial spirit. It is our extreme pride and pleasure that we have been able to strengthen the bond of mutual respect and trust that already exists between the industry and this esteemed Institute.

I am confident that our Institute product are very much passionate, talented, highly motivated, experienced & well-balanced individuals have the caliber to lead your organizations in the future.

Warm welcome to college campus at Amreli.

(Dr. V. M. Ramani)

About College

College of Dairy Science & Postgraduate Institute of Dairy Education and Research, Amreli is a leading institute in the field of Dairy Education and Research established under Kamdhenu University, an exclusive University started by Gujarat Government by Kamdhenu University Act, 2009 for the development of Veterinary and allied science including dairy and fisheries science.

The College imparts education leading to a 4 year B. Tech. (Dairy Technology) having intake capacity of 40 students, 2 year M. Tech., and Ph.D. programme. Students are given theoretical and practical knowledge under five different divisions viz. Dairy Technology, Dairy Engineering, Dairy Chemistry, Dairy Microbiology and Dairy Business Management in B.Tech. level. They learn the principles of technology, engineering, chemistry, microbiology and business management to develop new and improved methods in production, preservation, marketing and utilization of milk and its products. Moreover, students perform their research their work to bring innovation in the field of Dairy Science.

For B. Tech. (DT) students, they are provided with one year hands-on training to handle real life situations in commercial dairy. This training provides a platform to enhance the practical knowledge and also boost confidence level of the students which is an essential part to transform student to entrepreneur out of this institute. In this hands on training programme students are undergone through various raw materials to marketing of finished product. Students are given training in milk processing, product manufacturing, product testing, packaging, cleaning maintenance aspects, account, purchase, marketing etc. The students are sent to different dairy plants of Gujarat viz., Amul Dairy- Anand, Amul Fed- Gandhinagar, Sabar Dairy- Himmatnagar, Sumul Dairy- Surat, Sursagar Dairy- Surendranagar and Sarvottam Dairy- Bhavnagar etc. for this experiential learning.

This Dairy Science and Technology Programme prepares the students with an integrated approach of skill development and facilitates its learning with modern concept, techniques and practice in the dairy industries. Unique feature about College of Dairy Science, Amreli is our emphasis is not just on knowledge development, but also on personal, spiritual and social development. This integral and value based formation will impel our students to build leaders with sound business ethics and strong grounding knowledge of Dairy Science and Technology.

Research Activities

Sr. No.	Department Name	Principal Investigator	Research Project
1.	Dairy Microbiology	Dr. V. M. Ramani	Development of Probiotic fortified Soy Food for the health and nutritional Benefits of Elderly Population
2.	Diary Microbiology	Dr. V. M. Ramani	Bio-Conjugation of Iron oxide / Gold Nanoparticles for the detection of Aflatoxin M1 in Milk
3.	Dairy Microbiology	Dr. V. M. Ramani	Development of Nano-tag and Thread based micro fluidic system biosensor for detection of Aflatoxin M1 in milk
4.	Dairy Microbiology	Dr. V. M. Ramani	Nanotechnology based dipstick for the instant detection of milk adulterants
5.	Dairy Microbiology	Dr. V. M. Ramani	BIOTHON project for Scale-up of "Nanotechnology based dipstick for the instant detection of milk adulterants" under the theme Swastha Bharat
6.	Dairy Technology	Dr. K. K. Ahuja	Development of milk-beetroot based fibre enriched low calorie Burfi
7.	Dairy Chemistry	Dr. Tanmay Hazra	Detection of oil adulteration in milk by Chromatographic methods in tandem with chromogenic methods
8.	Dairy Technology	Mr. A. J. Thesiya	Process optimization of milk based peanut thabdi
9.	Dairy Microbiology	Dr. V. M. Ramani	Identification of "Signatures sequence" associated with raw milk for quality and safety of dairy products: A metagenomics approach.
