## From the Vice Chancellor's Desk

### PM inaugurates College of Dairy Science at Amreli

With the grace of God, I have got the opportunity to take over the reins of University on 22<sup>nd</sup> August, 2017. I will strain to expand and make the University viable and vibrant.

Kamdhenu University was highly privileged to have the new building of College of Dairy Science at Shedubhar, Amreli, inaugurated by Hon'ble Prime Minister of India, Shri. Narendra Modi on his 68<sup>th</sup> birthday, 17<sup>th</sup> September, 2017. This event would go a long way in the history of Kamdhenu University. The College of Dairy Science at Shedubhar, Amreli is already making its impact in dairy industry through its state-of-the-art technology, excellent research facilities and quality education in Dairy Technology.

KU had another proud moment when the students of first batch of PG in Veterinary and Fisheries faculties completed all the requirements for their respective degrees. They shall be awarded their PG degree in the upcoming 4<sup>th</sup> Convocation of Kamdhenu University scheduled on 3<sup>rd</sup> February, 2018.

KU has also initiated another landmark activity at College of Dairy Science, Amreli by admitting students in M.Tech course in Dairy Technology from this academic year. The first year students of B.Tech (DT) course were distributed NAMO e-tablets as a move towards Digital India.

This quarter under report witnessed all round efforts in education, research, extension and students welfare activities. Our students participated in various extra-curricular events with enthusiasm and brought laurels to the University.

I acknowledge the positive attitude of all the faculty members, staff and students of the University and look forward to their untiring efforts to bring up the status of the University.

Dr. P. H. Vataliya

# Inauguration of College of Dairy Science, Amreli

The new building of the College of Dairy Science at Shedubhar, Amreli was inaugurated by Hon. Prime Minister of India, Shri Narendra Modi on his 68<sup>th</sup> birthday, 17<sup>th</sup> September, 2017. The digital inauguration (lokarpan) of the college building was part of the event “Sahkar Panchotsav” held at Forward School Ground, Amreli. The function was graced by Hon. Prime Minister, Shri Narendra Modi, Hon. Chief Minister, Shri Vijaybhai Rupani, Hon. Deputy Chief Minister, Shri Nitinbhai Patel, former Chief Minister, Smt. Anandiben Patel, Ministers of State Government of India, Shri Parshottam Rupala and Shri Mansukhbhai Mandaviya, Minister of Animal Husbandry, Shri Babubhai Bokhiria, former Minister of Agriculture, Shri Dilipbhai Sanghani and other ministers of Gujarat, MPs, MLAs, besides Shri Sanjay Prasad, IAS, Principal Secretary, Agriculture and Cooperation Department, Dr. Murali Krishna, IAS Secretary (Animal Husbandry) and Dr. P. H. Vataliya, Vice Chancellor, Kamdhenu University, Gandhinagar.

The programme was jointly organized with district administration, APMC, Amreli and Amar Dairy, Amreli. The dignitaries also inaugurated APMC building, Icecream Plant, Dairy Processing Plant and Cattle Feed Factory of Amar Dairy, Amreli. This event earmarked the advent of new era for animal husbandry and agriculture sector in Amreli district with emphasis on animal husbandry and dairy technology. The new building of college of dairy science is located at Shedubhar on Amreli - Rajkot Road and has been built at the

cost of around Rs. 6.5 crores with modern facilities to impart education in dairy technology. On the occasion, Hon. Prime Minister emphasised on the role of dairy cooperatives and animal husbandry in rural development of the country and mentioned that dairy husbandry will be instrumental as a tool for empowerment of women of the region. He also stressed on potential of “sweet revolution” on the line of blue revolution, white revolution and green revolution which contributed to the growth of the country. Dr. P. H. Vataliya, Vice Chancellor, Kamdhenu University stated that the graduates of this new college of dairy science which started in Amreli in 2011 in another building have turned out to be valuable human resources to augment further dairy development in the state and the country. He wished that the new college would be one of the premier institutions of dairy technology in the country in the years to come.
