Message

I am glad to learn that Polytechnic in Animal Husbandry, Rajpur (Nava), Himmatnagar is publishing placement brochure of ever enthusiastic sixth batch students of Diploma in Animal Husbandry, who have now plunged into action in preparing themselves for campus placements which is soon going to begin with a big bang.

Many rural areas of the state are characterized by limited accessibility to veterinary services. Hence, for supporting livestock owners and veterinarians at primary level, a three year Diploma in Animal Husbandry programme has been started by Kamdhenu University since 2011. The institute provides the best possible opportunities for its students and it inculcate all the pertinent skills and the right attitude for personal as well as professional growth.

Polytechnic in Animal Husbandry is a well equipped institute with highly qualified, experienced and trained faculties with supporting staff to train the students in areas of animal nutrition, management, breeding, AI, vaccination and first aid techniques in veterinary practice. The passing out batch in the current academic session comprises of students who are talented and highly motivated. They are groomed in a manner as to serve as catalysts of continuous improvement and change and contribute to raise the social as well as economic status of livestock owners of the state and the country and ultimately improving whole livestock sector.

I wish the students to rise and shine not only in this placement opportunity, but also in future endeavors.

(N. H. Kelawala)

Dr. D. B. Patil

Director of Research and
Dean PG Studies Dean,

Kamdhenu University,
Gandhinagar

Message

I am delighted to introduce the sixth batch of Polytechnic in Animal Husbandry, Rajpur (Nava), Himmatnagar. We are driven by the belief that every child deserves a high-quality education and that educational opportunity is a basic human right. Providing ample educational opportunities is one of the most fundamental obligations each generation owes to the ones that follow.

For catering the need of the farmers and providing services to the livestock owners, well trained paravets are required Therefore, Kamdhenu University has started this course with emphasis on overall development, wherein they have proven themselves equally talented in extra-curricular activities like sports, debates, drama and other cultural activities.

The diploma holders in animal husbandry are trained to take care of milch animals, and know scientific management, hygiene and techniques of artificial insemination (AI) and several aspects of animal production and health improvement.

University has focused on developing career of the students who can be imparted training and skill to become independent entrepreneurs in the field of livestock and poultry production systems.

Thus, Kamdhenu University is making its contribution in skill development campaign of Hon'ble Prime Minister of India, Shri Narendra Modi as part of his vision of "Skill India".

Our students are well grounded and ready to take up the challenges of animal husbandry. They have a strong foundation in terms of their academics, personality and skills for upcoming batches to learn and behold.

I extend you a very warm welcome to our placement programme and wish the students a very bright future ahead. We look forward to building long-term sustainable and mutually beneficial relationship with your esteemed organization.

(D. B. Patil)

Message

As we know, flourishing livestock sector requires well trained dedicated human power to repair the pothole generated due to shortage of veterinary professionals. Our well trained, practical students are capable to repair pothole, furthermore they are enthusiastic to become brick of sustainable development campaign.

The Polytechnic in Animal Husbandry, Rajpur (Nava), with its excellent infrastructural facilities and dedicated team of educators is striving hard to imbibe core skills, moral values, high aptitude and management abilities among its students for overall development of animal husbandry sector.

Along with development of the academic career of the students, this University also puts in every effort to bring out the hidden qualities of the students by involving them in physical education, sports, cultural, adventurous activities etc. at polytechnic and university levels.

I feel pleasure and pride to know that our university is all set to launch their placement Brochure, of the students of 2018-19 batch. I wish them all success in all their efforts to shape their professional career.

Animal husbandry programme will play an important role in changing the knowledge regarding animal husbandry management, skill in animal rearing practices and attitude towards newer technology of livestock owner which can lead to an increase in milk production per animal.

Message

With immense pride, I take this opportunity to introduce our 6th batch of Polytechnic in Animal Husbandry, Kamdhenu University, Rajpur (Nava), Himmatnagar.

Livestock sector in Gujarat is flourishing at a faster pace compared to other states of India and needs a huge number of veterinary professional every year against the limited supply of veterinary graduates by different veterinary colleges of Gujarat. The livestock owners of small and remote villages are still deprived of regular veterinary services. The Kamdhenu University is trying to repair this pothole by producing the excellent para-veterinary professionals with advanced knowledge of animal husbandry practices to cater the basic need of such farmers with regards to feeding, breeding, management and primary healthcare services. Our institute is well equipped with excellent infrastructure facilities along with a newly constructed veterinary hospital with ultra modern facilities, an instructional livestock farm and fodder farm. The students are rigorously trained under the guidance of highly qualified and specialized teachers at the institute. They are also being exposed to various livestock farms and poultry units of Gujarat to acquire the skill for understanding the problems of livestock farmers.

I am sure that modernized and innovative practical approach of our students will help to strengthen the socio-economic status of livestock owners by improving health and productive efficiency of the livestock.

I complement the students for their sincere efforts and commitment to acquire the skill for the development of livestock sector.

On behalf of all the faculty members and other non-teaching staff, I wish them all the success in their future endeavors.

(Satish B. Deshpande)

Polytechnic in Animal Husbandry

Rajpur (Nava), Himmatnagar

Kamdhenu University has been established by the Government of Gujarat vide Gujarat Act No 9 of 2009 which is referred to as "the Kamdhenu University Act, 2009". The Act was assented to by Hon'ble Governorshri of Gujarat on 7th July, 2009.

The University is established and incorporated by the State Government as teaching and affiliated University for the development of Veterinary and Animal Sciences and for furthering the advancement of learning, conducting of research and dissemination of findings of research and other technical information in Veterinary and Animal Sciences including Dairy, Fisheries and allied sciences in the State of Gujarat.

A peep in the past

Idea of a Veterinary and Dairy University in Gujarat was first mooted in 1984 by late Dr. Varghese Kurien, Father of White Revolution in the country. He proposed a University of Dairy and Animal Science (UDAS), but before it takes a shape, Dr. Kurien who was the Vice-Chancellor of Gujarat Agricultural University resigned from the post. Again a proposal was floated by Government of Gujarat to established Veterinary University in 1996-97 and an ordinance was also promulgated. This ordinance died without any action. Thereafter in 2009, with the blessings of Hon'ble Chief Minister Shri Narendra Modi the Kamdhenu University Act was passed by the State Legislative Assembly. Thus, a new era of research and education in veterinary and allied sciences including dairy and fisheries has begin.

Polytechnic in Animal Husbandry, Rajpur (Nava), Himmatnagar was established under Kamdhenu University on 1st August, 2011. This premier institute is the First Polytechnic of its own kind in Gujarat and was established with the aim to prepare livestock inspectors to provide the support to the field veterinarians as well as to provide primary veterinary services to the animal owners in remote villages. Later the other Agricultural Universities of Gujarat also started the Polytechnic in Animal Husbandry on the lines of Kamdhenu University.

The institute offers a full time residential education programme of "Diploma in Animal Husbandry" for which the basic qualification for the admission is 10th standard. The institute presently provides a well managed hostel facility for boys only along with a student bus facility for transport. The duration of the course is three year which includes a six month intensive farm practice training at different premier institutes in Gujarat. During the course work of five semesters, the students are enriched with the basic knowledge of 18 different subjects of Veterinary Science and Animal Husbandry in theory and practical.

Six months farm practice training includes working on different cattle, buffalo and goat farms and veterinary dispensaries with 07 days educational tour within the state. The training provides good practical hands and also boosts confidence level of the students in the areas of animal nutrition, management of animals and fodder farm, vaccination, artificial insemination and first aid techniques in veterinary practice.

After successful completion of the course work and farm practice training, the students are conferred the Diploma in Animal Husbandry. The students excelling in the course work and training program are rewarded with different awards and certificates.

The institute is well equipped with laboratories and computer laboratory facilities for hands on training to the students along with a full-fledged library. The institute owns highly qualified, experienced and trained faculty along with the supporting staff to cater the need of students. The institute provides all the necessary infrastructure facilities for the extracurricular activities of the students admitted to the diploma course at Rajpur Campus, Himmatnagar .

Semester wise Course Distribution

(Total Duration- Three Year)

| Sr. no | Course No. | Title of the Course | Credit |
|------------------------|------------|---|----------------|
| First Semester | | | |
| 1. | LAN-111 | Introductory Livestock Anatomy | 3+1=4 |
| 2. | APHY-111 | Introductory Animal Physiology | 3+1=4 |
| 3. | LPM-111 | Introductory Animal Management-I | 2+1=3 |
| 4. | ENG-111 | English | 2+1=3 |
| 5. | CA-111 | Introduction to Computer Application | 1+2=3 |
| Total | | | 11+6=17 |
| Second Semester | | | |
| 1. | STAT-121 | Elementary Statistics | 2+1=3 |
| 2. | AN-121 | Introductory Fodder Management and Grassland Management | 1+1=2 |
| 3. | AB-121 | Introductory Animal Breeding | 1+1=2 |
| 4. | LPM-121 | Introductory Animal Management-II | 2+1=3 |
| 5. | AHE-121 | Introductory Animal Husbandry Extension-I | 2+1=3 |
| Total | | | 10+6=16 |
| Third Semester | | | |
| 1. | VMI-211 | Introductory Veterinary Microbiology | 2+1=3 |
| 2. | VPARA-211 | Introductory Veterinary Parasitology | 2+1=3 |
| 3. | VPA-211 | Preliminary Pathology | 2+1=3 |
| 4. | AHE-212 | Introductory Animal Husbandry Extension-II | 2+1=3 |
| 5. | AN-211 | Introductory Animal Nutrition-I | 1+1=2 |
| Total | | | 9+5=14 |

| Sr. no | Course No. | Title of the Course | Credit |
|--------------------------------|------------------------------|---|---------------|
| Fourth Semester | | | |
| 1. | AHEM-221 | Introductory Animal Husbandry Economics and Marketing | 2+0=2 |
| 2. | AN-222 | Introductory Animal Nutrition-II | 1+1=2 |
| 3. | VP-221 | Introductory Pharmacology | 3+2=5 |
| 4. | AR-221 | Introductory Animal Reproductions-I | 1+2=3 |
| 5. | AHC-221 | Introductory Animal Health Care-I | 2+2=4 |
| Total | | | 9+7=16 |
| Fifth Semester | | | |
| 1. | AHC-312 | Introductory Animal Health Care-II | 2+2=4 |
| 2. | AR-312 | Introductory Animal Reproductions-II | 1+2=3 |
| 3. | VPH-311 | Introductory Veterinary Public Health | 2+2=4 |
| 4. | LPM-313 | Introductory Animal Management-III | 2+1=3 |
| 5. | VSUR-311 | Minor Veterinary Surgery | 2+1=3 |
| Total | | | 9+8=17 |
| Sixth Semester | | | |
| Farm Practice Training: | | | |
| 1. | Cattle & Buffaloes - 2 month | | |
| 2. | Sheep & Goats - 1 month | | |
| 3. | Poultry - 1 month | | |
| 4. | Govt. Dispensary - 7 week | | |
| 5. | Educational Tour - 7 day | | |
| 6. | Report Writing | | |

List of Centers for Farm Practice Training

| Center No. | Centers Name | Duration |
|------------|--|--------------|
| 1. | Livestock Research Station, S. D. Agricultural University, Sardarkrushinagar | 1 month each |
| 2. | Postgraduate Institute of Veterinary Education and Research (PGIVER) Kamdhenu University, Rajpur (Nava), Himmatnagar | |
| 3. | Veterinary Polyclinic At: Agiyol, Ta: Himmatnagar, Dist:- Sabarkhantha-383 001 | |
| 4. | Govt. Poultry Farm (IPDP), Himmatnagar | |
| 5. | Livestock Research Station, Navsari Agricultural University, Navsari | 21 days |
| 6. | Dr. V. M. Zala Clinic Complex, S. D. Agricultural University, Deesa | 15 days |
| 7. | Veterinary Dispensary, Idar/Veterinary Dispensary, Bhabhar (B.K.) | each |

Semester wise credits hours distribution

Credit hour means the weekly unit of work reorganization for the particular course as per the Syllabus. A theory lecture class of one hour per week shall be counted as one credit hour whereas a practical class of two or three hours durations per week as one credit hour.

| Year | Semester | Theory | Practical | Total Credit Hours |
|--------|----------|--------|--------------------|--------------------|
| First | I | 11 | 6 | 17 |
| | II | 10 | 6 | 16 |
| | | | Total | 33 |
| Second | I | 9 | 5 | 14 |
| | II | 9 | 7 | 16 |
| | | | Total | 30 |
| Third | I | 9 | 8 | 17 |
| | II | 0 | 15 | 15 |
| | | | Total | 32 |
| | | | Grand Total | 95 |
