Virtual Training Programme

During the peak COVID-19 lockdown period, the College of Fisheries Science, Veraval under the flagship programme of NAHEP-IDP took the initiative to start the Virtual Training Programme on the theme “Emerging trends and multidimensional strategies for sustainable fisheries sector in post-COVID-19 era” from 09/04/2020 to 02/05/2020 through online mode of teaching. Total 26 lectures were conducted on different topic through the virtual platform (Zoom). This training programme was intended to generate awareness among the UG students of second, fourth and sixth semester BFSc about the current situation of fisheries under COVID-19 and future strategies for further course of action in development of fisheries including aquaculture, fisheries resource management and fish processing technology in the post-COVID-19 era. BFSc students of second (73 nos.), fourth (54 nos.) and sixth semester (49 nos.) with requisite social and gender considerations attended this training programme.

National Webinar on “Challenges, Opportunities and the Future of Indian Fisheries Post COVID-19 Era”

College of Fisheries Science, Veraval through its IDP Cell organized three days National Webinar on “Challenges, Opportunities and the Future of Indian Fisheries Post COVID-19 Era” from 28/05/2020 to 30/05/2020. This webinar was planned so as to get the benefit of expert views of the eminent personalities of fisheries sector on a single platform for our UG students of all four semesters. This National Webinar could bring more than 1500 participants together on the virtual platform, through direct interaction (Zoom) and Live Streaming (YouTube). This included students, research scholars, faculty members, scientists, fish farmers, processors and entrepreneurs. Apart from India, participants joined this Webinar from Bangladesh, Thailand, Indonesia, Germany and Norway. The webinar allowed participants to listen and deliberate about the challenges and opportunities for Indian fisheries during the post-COVID-19 era.

	
<p>Dr. M. M. Shridhankar, Principal, Diploma in F. Engg, Ratnagiri, delivering expert lecture</p>	<p>Dr. Haribabu, Associate Dean, CoF, Muthukur, A.P., delivering expert lecture</p>
	
<p>Dr. K. M. Shankar, Former Dean, COF, Mangalore, delivering expert lecture</p>	<p>Dr. Ravishankar C. N, Director, CIFT, Cochin, delivering expert lecture</p>
	
<p>Dr. Arpita Sharma, Principal Scientist, CIFE, Mumbai, delivering lecture on Intellectual Property Rights</p>	<p>Dr. G. Venkateshwarlu, ADG (EQ&R), ICAR, delivering lecture on Fisheries Education in India</p>

Competitions for poster drawing, essay writing and poetry writing

College of Fisheries Science, Veraval organized Poster Drawing, Essay Writing and Poetry Writing competitions on “COVID-19 Era: Boon or Bane for Fisheries” through IDP Cell in collaboration with Students’ Representative Council (Gymkhana) from 13/05/2020 to 20/05/2020. These three competitions were intended to generate awareness about the current situation of fisheries under COVID-19 and future challenges and opportunities in development of fisheries sector in the post-COVID-19 era. UG students of second, fourth, sixth and eight semesters of B.F.Sc. participated in these competitions. As per terms and conditions of these competitions, the first, second and third rank winners were decided by the Evaluation Committee.

The National Competition for Slogan Development on the theme “Popularization of Domestic Fish Consumption in India”

College of Fisheries Science, Veraval through its IDP Cell organized the National Competition for Slogan Development on the theme “Popularization of Domestic Fish Consumption in India” during July, 2020. Total 135 participants successfully submitted slogans in respective categories i.e. Hindi and English. As per terms and conditions of these competitions, the first, second and third rank winners were decided by the Evaluation Committee.

Sports, NSS, Cultural and Extracurricular Activities

The **National Service Scheme (NSS)** is a sponsored program conducted by the Ministry of Youth Affairs and Sports, NSS scheme was launched on Centenary year in 1969 by Union Education Minister V.K.R.V. Rao. The aim of the scheme was to develop student's personality through community services. National Service Scheme is active at College of Fisheries Science with the strength of 100 volunteers for regular activities and 50 volunteers for special camp. NSS activities is compulsory prerequisite for two professional years to all the students of College of Fisheries Science. At present Dr. P. R. Tank is serving as Programme Officer since April, 01, 2019. During 2019-20 NSS special camp of 7 days duration with 53 (38 boys and 15 girls) participants has been organized at adopted village Dhava (Gir), Tal; Talala, Dist.; Gir Somnath, Gujarat. During the camp, street play, village cleanliness drive, primary school visit, School activity and other awareness activities regarding *Beti Bachao-Beti Padhao*, *vyasanmukti*, importance of hygiene for health etc. have been carried out by the volunteers.

In year 2019-20, about eleven regular activities have been covered including tree plantation, celebrations of Swachhta Pakhwada, Independence Day, Poshan Abhiyaan, Teachers Day, NSS Day, Mahatma Gandhi Jayanti, Constitution Day, National Voter's Day, etc. A special programme about “Fit India Movement” on National sports day have been successfully completed. Essay writing competition on World Habitat Day and Quiz competition on Mahatma Gandhi organized for NSS volunteers. Lectures for NSS volunteers on Importance of Cleanliness in life, Personality Development, Single use Plastic ban, importance of Yoga in life, Yoga Shibir have been organized.

RESEARCH HIGHLIGHTS

First Meeting of Pre-VASRC at College of Fisheries Science, KU, Veraval

The first Meeting of Pre-VASRC was held at Meeting Room, College of Fisheries Science (COFS), KU, Veraval on 18/02/2022. Dr. S. I. Yusufzai, Principal, College of Fisheries Science KU, Veraval presided over the function at COFS, KU, Veraval. The session started with welcome address by Dr. D. T. Vaghela, Associate Professor and Convener, Pre-VASRC. Dr. A. N. Sayani, Associate Professor, acted as the rapporteur. Dr. H. V. Parmar, Assistant Professor, College of Fisheries Science, Veraval proposed vote of thanks. During the first technical session, a total 08 new technical programmes were presented by scientists of College of Fisheries Science, KU, Veraval. All the programmes were approved by the house.

National Fish Farmers' Day – 2021

The National Fish Farmers' Day was celebrated at College of Fisheries Science, KU, Veraval with great zeal and fervor. The College organized an online one-day seminar, which was inaugurated by Dr. N. H. Kelawala, Hon'ble Vice Chancellor, Kamdhenu University, Gandhinagar. Dr. J. S. Patel, Dean, Faculty of Fisheries Science, KU, welcomed the dignitaries and participants. Dr. P. H. Vataliya, Director of Extension Education, KU, delivered a key-note address while Dr. D. B. Patil, Director of Research & Dean, P. G. Studies, KU, gave special remarks. Dr. N. H. Kelawala, Hon'ble Vice Chancellor, KU gave Presidential Address on this occasion. Dr. P. V. Parmar, Asst. Professor, COFS, KU, Veraval, Dr. H. G. Solanki, Asst. Professor, COFS, KU, Navsari and Dr. Vivek Srivastava, Asst. Professor, PGIFER, Himmatnagar delivered expert lectures during the seminar. It was well attended by the fish farmers, officials from Dept of Fisheries, GoG, faculty members and students.

On this occasion, Students' Representative Council of College of Fisheries Science, KU, Veraval, organized an online poster drawing, slogan writing and photography competition for all the students of Faculty of Fisheries Science, KU, Gandhinagar.

International Coastal Cleanup Day - 2021

College of Fisheries Science, KU, Veraval celebrated International Coastal Cleanup Day (ICC) - 2021 in collaboration with National Centre for Coastal Research (NCCR), Chennai on 18th Sept. 2021 at Veraval chopati (beach), covering a stretch of 1.0 km. A total of 100 participants including graduate and postgraduate students and faculty members took part in the awareness campaign. Dr. S. I. Yusufzai, Principal, College of Fisheries Science, Veraval delivered introductory remarks to the participants. Mr. Piyushbhai Fofandi, President of Veraval-Patan Nagarpalika graced the occasion as the Chief Guest of this event. Dr. J. B. Solanki, Asst. Professor coordinated the successful organization of this event in collaboration with Mr. Amit Masani, Reliance Foundation, Gir-Somanth and Coastal Cleanup committee members of the College. The ICC-2021 banner and various environmental awareness messages through placards were displayed to create awareness among the people and sensitize coastal

population and tourists about the deleterious effect of marine litter and non-degradable disposable items in the coastal environment. About 1468 kg of debris comprising of food wrappers, plastic bags, paper cups, thermocol pieces, plastic bottle caps, straws, fishing net fragments and coconuts shells etc. was collected. The litter was tightly sealed in a trash bag and handed over to the local authorities for safe disposal.
