

Sports Extra-curricular activities

Students' Representative Council (SRC), College of Veterinary Science & A.H., Junagadh

Students' Representative Council (SRC) is running with the motto of to listen effectively, collate and communicate the views of all the students they represent, taking these views to meetings and to staff to bring about positive changes for students. Here SRC tries to improve strength in students by making representations to class or group, organizing and supervise students' activities and facilities, developing personality and leadership among the students, and maintaining the etiquettes and discipline of the class.

Besides the academic program, the students of this college participate in various inter-college sports (cricket, kho-kho, kabbadi, volley ball, basketball, table tennis, badminton, chess), cultural (drama, mime, mono acting, folk dance) and literacy (debate, elocution, essay writing) competition and represents the University for inter University sports, cultural and literacy competition.

SRC of this college is going to organized various extra-curricular activities like regularly Annual day, Fresher's party, Valedictory for outgoing batch, Garba celebration, adventure activity, inter semester sports competitions, publication of students magazine and different events assign by University and Government. Among all these activities, students of this college are participating highly enthusiastically and interestingly.
