WISHING ALL A VERY HAPPY DIWALI & PROSPEROUS NEW YEAR

Amidst COVID-19 pandemic, a flurry of activities were performed by KU staff following prescribed COVID norms. In spite of non-salubrious environs, our staff with air of positivity, keeping mental health issues at bay, performed exceedingly well. The testimony to this is admissions of 1375 students in different courses under three faculties and number of Webinars, online meets etc., organised with grit and determination. KU is proud that MIDFT faculty Dr. Deepak Mudgil is ranked in the Stanford's list of world top 2% Scientists (2019) in Food Science.

On personal front, I have participated in more than 76 online events. The cherished event was 'Outstanding Alumnus' award bestowed upon me by G. B. Pant University of Agriculture & Technology, Pantnagar, Uttarakhand and my nomination as Executive Member of Veterinary Council of India. Another notable event was visit of our Hon'ble Minister of Animal Husbandry, Shri. Kunvarji Bavaliya to Veterinary and Fisheries Colleges, Navsari. I could elucidate different developmental activities in both the Colleges, nourished during my earlier innings at NAU, before joining KU.

Last but not the least, is the landmark event in the journey of KU, as Govt. of Gujarat has amended the Kamdhenu University Act and published the Official Gazette of the amendment (Gujarat Act No. 15 of 2020) on Oct. 12, 2020. This has made KU full-fledged and demands heroic efforts from all of us for its effective fructification.

Stay safe, happy and healthy.

Jai Hind !

Dr. N. H. Kelawala
Vice Chancellor

Training Programme on "Potential of Backyard Ornamental Fish Farming in Ukai Region"

Kamdhenu University officers, staff as well as students had actively participated in this online event through Google meet as well as Facebook live platform.

Celebration of Gandhi Jayanti

The whole world is grappling with Corona pandemic this year. Mahatma Gandhiji insisted on cleanliness all his life. The importance of cleanliness has been realized to us in this pandemic. During this difficult time, all of us have been associated with measures to fight with the pandemic. Everyone must have experiences, such as protecting themselves from the COVID-19, helping others, serving animals, keeping the house/street/village clean etc.

On the occasion of the 151th Mahatma Gandhi Jayanti on 2nd October 2020, Kamdhenu University organized an online one minute Video Making Competition on "My Experiences". The students were invited to make a one minute video describing any positive experiences as a corona warrior. Total 33 students from different colleges/polytechnics of various Universities of Gujarat had actively participated in the said competition.

Webinar on Cyber Security
