A word from Vice Chancellor

Kamdhen University Blossoms...

Lots of water has flown under the bridge of KU after the inaugural issue of Kalarav. The much awaited first convocation of KU was held in the gracious presence of Hon'ble Chancellor and Hon'ble Chief Minister of Gujarat. Thereafter a series of notable events occurred starting from the appointments of Director of Research, Director of Extension Education, Principal Polytechnic, Himmatnagar, Director of Student Welfare, Associate Director of Research, Dy. Registrar, Dy. Engineer, Accounts Officers, Audit Officer and others. A three-day programme for new entrants and other staff of KU on "Orientation and Pre-service Training" conducted from April 27-29, 2015 was much desired, fulfilling and educative. Other significant tasks accomplished were approvals of regulations for Polytechnics and College of Dairy Science for affiliation of colleges; research schemes; building plans, budgetary provisions and estimates for Polytechnic, Himmatnagar and College of Dairy Science, Amreli; visit of inspection team to different trusts for affiliation of Polytechnics, and regular meetings of Academic Council and Board of Management. Thus KU is on threshold of expansion with its dedicated and cerebral staff. While, climbing the steps of development, KU sincerely acknowledges the wise counselling of Hon'ble Minister of Agriculture, Shri. Babubhai Bokharia; Principal Secretary, Agriculture, Shri. A. M. Solanki IAS; Director, Animal Husbandry, Dr. A.J. KachhiaPatel and other officials.

On individual front memberships in governing council of ICAR, MCAER and other professional bodies emboldens me to achieve targets for KU

Wishing the best for KU to scale new heights.

Jai Hind
