## Message

It is a matter of great pleasure to know that the Polytechnic in Animal Husbandry, Rajpur (Nava), Himmatnagar is publishing the placement brochure of the fifth batch students of Diploma in Animal Husbandry.

The continuously flourishing livestock sector in Gujarat needs well-trained dedicated human resource personnel to cater the need of technical support at grass root level. At present, the State is facing a huge shortage of veterinary graduates to fulfil this requirement. Also, there is limited availability of well-trained and qualified livestock assistants. Hence, Kamdhenu University started three-year Diploma in Animal Husbandry programme from 2011 to produce trained personnel to support the livestock owners and veterinarians at village level. Since its inception, the Kamdhenu University is working hard towards the human resource development in the field of veterinary science, animal husbandry, fisheries and dairy sectors by providing excellent education and training at Diploma, Graduate and Postgraduate level.

Polytechnic in Animal Husbandry at Rajpur (Nava), Himmatnagar, is well equipped with infrastructural facilities with dedicated teaching faculties where the students are trained in the field of feeding, breeding and management of animals and their primary healthcare.

I am sure that updated and innovative practical approach of our students will help to uplift the socio-economic status of livestock owners of Gujarat and India by improving health and productivity of the livestock.

I congratulate the teachers for nurturing the youth of the State by imparting them best practical oriental education and wish the passing out students all the success in their future endeavor.

**Dr. P. H. Vataliya**

# KAMDHENU UNIVERSITY GANDHINAGAR

**Dr. S. B. Deshpande, Ph. D.**  
Dean, Veterinary Faculty

## Foreword

The livestock and animal husbandry sector holds significant economic contribution in the Gross Domestic Product of state and nation as well. The Gujarat state is blessed with three precious indigenous cow breeds, four buffalo breeds, five goat breeds, two sheep breeds, one horse breed, two camel breeds and two poultry breeds along with a large number of non-descript animals. For such a huge animal population, the present task-force of veterinarians is not sufficient to cater the need of livestock owners. Hence, an adequate supply of well-trained and experienced paraveterinarians has become a key requirement for effective animal healthcare and management services.

I proudly introduce you our enthusiastic, vibrant, energetic and professionally competent fellows of the Fifth Batch of Polytechnic in Animal Husbandry, Rajpur (Nava), Himmatnagar who have been trained through persistent efforts for achieving a standard level of education in the field of animal healthcare and management.

Polytechnic in Animal Husbandry, Rajpur (Nava), Himmatnagar is supported with vast infrastructure facilities and well-equipped ultra-modern laboratories to impart practical training to students of Diploma in Animal Husbandry. Moreover, importance is always being given to the extra-curricular activities for overall development of students. Sports and National Service Scheme are also included in syllabus to prepare potential leaders ready to deal with challenges in life.

I am sure that these enthusiastic and deserving students can impart huge value to the organizations where they serve.

We warmly invite you to associate with us in the recruitment process.

**Dr. S. B. Deshpande**

# KAMDHENU UNIVERSITY GANDHINAGAR

**Dr. B. N. Patel, Ph. D.**  
Director of Students' Welfare

## Message

Majority of Livestock keepers in India are small farmers. They have traditionally acquired knowledge about animal husbandry from their elders. Under the ever changing social, economical, technological and market condition, it is our duty to continuously update the small farmers' skills so that they can earn a sizeable amount from their livestock.

Animal husbandry programme will play an important role in changing the knowledge regarding animal husbandry management, skill in animal rearing practices and attitude towards newer technology of livestock owner which can lead to an increase in milk production per animal.

The University with its excellent infrastructural facilities and dedicated team of educators is striving hard to imbibe core skills, moral values, high aptitude and management abilities among its students for overall development of animal husbandry sector. I feel pleasure and pride to know that our university is all set to launch their placement Brochure, of the students of 2017-18 batch.

I wish them well in all their efforts to carve out their professional career and make in their chosen field.

**Dr. B. N. Patel**

**Dr. A. I. Dadawala, Ph. D.**  
I/C Principal

## Polytechnic in Animal Husbandry KAMDHENU UNIVERSITY, Rajpur (Nava)

### Message

It is prestigious matter for our institution that the fifth batch students of Polytechnic in Animal Husbandry, Kamdhenu University, Rajpur (Nava), Himmatnagar, will be moved from exam's life to life's exam very soon for framing their career pathways.

Well trained and fostered young minds of our students by dedicated and experienced faculties have earned praise and attentions from agricultural and scientific community make me fill proud and fortunate.

With aim of multifaceted development, presentation, animal welfare camp, extension work, farm practices, active participation in sports, culture, etc have been included in our teaching methods. This approach helped them to acquiring skills for improvement of small and marginal farmers and welfare of all living beings.

I assure you that if they are given chances, they will try to satisfy their superiority with honesty, sincerity and hard work.

I extend my blessing to students of polytechnic and pray for their bright future. With this brief background, I am furnishing in the pages to follow all pertinent information about us. At this juncture, I take the opportunity to congratulate Dr. Paresh P. Makwana (Placement Co-ordinator) to take the challenge for preparing this placement brochure with the help of staff of Polytechnic and complete this endeavor in the shortest time.

With regards and good wishes...

**Dr. A. I. Dadawala**

## Kamdhenu University

Kamdhenu University has been established by the Government of Gujarat vide Gujarat Act No.9 of 2009 which is referred to as "The Kamdhenu University Act, 2009". The Act was assented to by Hon'ble Governor of Gujarat on 7<sup>th</sup> July, 2009.

The University is established and incorporated by the state Government as teaching and affiliated University for the development of Veterinary and Animal Sciences and for furthering the advancement of learning, conducting of research and dissemination of findings of research and other technical information in Veterinary and Animal Sciences including Dairy, Fisheries and allied sciences in the State of Gujarat.

## A peep in the past

Idea of a Veterinary and Dairy University in Gujarat was first mooted in 1984 by late Dr. Varghese Kurien, Father of White Revolution in the country. He proposed a University of Dairy and Animal Science (UDAS), but before it takes a shape, Dr. Kurien who was the Vice-Chancellor of Gujarat Agricultural University resigned from the post. Again a proposal was floated by Government of Gujarat to established Veterinary University in 1996-97 and an ordinance was also promulgated. This ordinance died without any action. Thereafter in 2009, with the blessings of Hon'ble Chief Minister Shri Narendra Modi the Kamdhenu University Act was passed by the State Legislative Assembly. Thus, a new era of research and education in veterinary and allied sciences including dairy and fisheries has begin.

## Genesis of Polytechnic

Polytechnic in Animal Husbandry, Rajpur (Nava), Himmatnagar was established under Kamdhenu University on 1<sup>st</sup> August, 2011. This premier institute is the First Polytechnic of its own kind in Gujarat and was established with the aim to prepare livestock inspectors to provide the support to the field veterinarians as well as to provide primary veterinary services to the animal owners in remote villages. Later the other Agricultural Universities of Gujarat also started the Polytechnic in Animal Husbandry on the lines of Kamdhenu University.

The institute offers a full time residential education programme of “Diploma in Animal Husbandry” for which the basic qualification for the admission is 10<sup>th</sup> standard. The institute presently provides a well managed hostel facility for boys only along with a student bus facility for transport. The duration of the course is three years which includes a six month intensive farm practice training at different premier institutes in Gujarat. During the course work of five semesters the students are enriched with the basic knowledge of 18 different subjects of Veterinary Science and Animal Husbandry in theory and practical.

Six months farm practice training includes working on different cattle, buffalo and goat farms and veterinary dispensaries with 07 days educational tour within the state. The training provides good practical hands and also boosts confidence level of the students in the areas of animal nutrition, management of animals and fodder farm, vaccination, artificial insemination and first aid techniques in veterinary practice.

After successful completion of the course work and farm practice training the students are conferred the Diploma in Animal Husbandry. The students excelling in the course work and training program are rewarded with different awards and certificates.

The institute is well equipped with laboratories and computer laboratory facilities for hands on training to the students along with a full-fledged library. The institute owns highly qualified, experienced and trained faculty along with the supporting staff to cater the need of students. The institute provides all the necessary infrastructure facilities for the extracurricular activities of the students admitted to the diploma course at Rajpur Campus, Himmatnagar.

# Semester Wise course Distrubution

## (Total Duration Three Year)

First Semester			
Sr. No	Course No.	Title of the Course	Credit
1.	LAN-111	Introductory Livestock Anatomy	3+1=4
2.	APHY-111	Introductory Animal Physiology	3+1=4
3.	LPM-111	Introductory Animal Management-I	2+1=3
4.	ENG-111	English	2+1=3
5.	CA-111	Introduction to Computer Application	1+2=3
		<b>Total</b>	<b>11+6=17</b>
Second Semester			
Sr. No	Course No.	Title of the Course	Credit
1.	STAT-121	Elementary Statistics	2+1=3
2.	AN-121	Introductory Fodder Management and Grassland Management	1+1=2
3.	AB-121	Introductory Animal Breeding	1+1=2
4.	LPM-121	Introductory Animal Management-II	2+1=3
5.	AHE-121	Introductory Animal Husbandry Extension-I	2+1=3
6.	ENV5-121	Introduction to Environmental Science	2+1=3
		<b>Total</b>	<b>10+6=16</b>
Third Semester			
Sr. No	Course No.	Title of the Course	Credit
1.	VMI-211	Introductory Veterinary Microbiology	2+1=3
2.	VPARA-211	Introductory Veterinary Parasitology	2+1=3
3.	VPA-211	Preliminary Pathology	2+1=3
4.	AHE-211	Introductory Animal Husbandry Extension-II	2+1=3
5.	AN-211	Introductory Animal Nutrition-I	1+1=2
		<b>Total</b>	<b>9+5=14</b>
Fourth Semester			
Sr. No	Course No.	Title of the Course	Credit
1.	AHEM-221	Introductory Animal Husbandry Economics and Marketing	2+0=2
2.	AN-222	Introductory Animal Nutrition-II	1+1=2
3.	VP-221	Introductory Pharmacology	3+2=5
4.	AR-221	Introductory Animal Reproductions-I	1+2=3
5.	AHC-221	Introductory Animal Health Care-I	2+2=4
		<b>Total</b>	<b>9+7=16</b>

Fifth Semester			
Sr. No	Course No.	Title of the Course	Credit
1.	AHC-312	Introductory Animal Health Care-II	2+2=4
2.	AR-312	Introductory Animal Reproductions-II	1+2=3
3.	VPH-311	Introductory Veterinary Public Health	2+2=4
4.	LPM-313	Introductory Animal Management-III	2+1=3
5.	VSUR-311	Minor Veterinary Surgery	2+1=3
<b>Total</b>			<b>9+8=17</b>

Sixth Semester	
Farm Practice Training:	
1. Two months of cattle and buffalo	
2. One month of sheep and goat	
3. One month poultry	
4. One month and three weeks of government dispensary	
5. Seven days Educational tour	
6. Report Writing	

Center No.	Centers For Farm Practice Training	Duration
1.	Livestock Research Station, S. D. Agricultural University, Sardarkrushinagar (Cattle)	1 month
2.	Cattle Breeding Farm, Junagadh Agricultural University, Junagadh (Buffalo)	1 month
3.	Polyclinic, Agiyol	1 month
4.	Govt. Poultry Farm (IPDP), Himmatnagar	1 month
5.	Livestock Research Station , Navsari Agricultural University, Navsari	21 days
6.	Dr. V. M. Zala Cincal Complex, Deesa, S.D.A.U., Sardarkrushinagar	15 days
7.	Idar Panjrapole, Idar/Veterinary Dispensary, Bhabhar (B.K.)	15 days

#### Semester wise credits hours distributions

Credit hour means the weekly unit of work reorganization for particular course as per the Syllabus. A theory lecture class of one hour per week shall be counted as one credit hour where as a practical class of two or three hours durations per week shall be counted as one credit hour.

	Semester	Theory Credit	Practical Credit	Total Credit
First Year	I	11	6	17
	II	10	6	16
Total				33
Second Year	I	9	5	14
	II	9	7	16
Total				30
Third Year	I	9	8	17
	II	0	15	15
Total				32
<b>Grand Total</b>				<b>95</b>
